The Journal of Sustainable Energy (JSE) had its first appearance under this name in 2010. The history of JSE is the following: is formed in 2010 by transforming of 1993-2009 Analele Universitatii din Oradea. Fascicula de Energetica, 1224-1261. Which superseded in part (1991-1992): Analele Universitatii din Oradea. Fascicula Electrotehnica si Energetica (1221-1311); Which superseded in part (1976-1990): Lucrari Stiintifice - Institutul de Invatamant Superior Oradea. Seria A, Stiinte Tehnice, Matematica, Fizica, Chimie, Geografie (0254-8593);

The Journal of Sustainable Energy (JSE) publishes original contributions in the field of the following topics:

- Energy engineering education
- System reliability and power service quality
- Generation of electric and thermal power
- Energy policy and economics
- Energy development (solar power, renewable energy, waste-to-energy systems)
- Energy systems operation
- Energy efficiency, reducing consumption for conservation of energy
- Energy sustainability as related to energy and power production, distribution and usage
- Waste management and environmental issues
- Energy infrastructure issues (power plant safety, security of infrastructure network)
- Energetic equipments

The articles quality increases with every issue. Apart from its improved technical contents, a special care is given to its structure. The guidelines for preparing and submitting an article were modified and developed in order to meet high quality standards requirements. With every passing issue the peer-review process was developed too, being now a double-blinded [peer-review process](#).

Authors who wish to submit a manuscript to the Journal of Sustainable Energy (JSE) are kindly asked to send their manuscripts as DOC and PDF format to [JSEoradea@yahoo.com](mailto:JSEoradea@yahoo.com), according to the formatting instructions. Once the manuscript is submitted, the authors will shortly receive a feedback regarding the status of their submission. As the review process is completed, the author will be informed about the reviewers' comments and the changes the paper should suffer in order to satisfy the journal quality requirements.

Journal of Sustainable Energy JSE is covered/indexed/abstracted in:

- [Index Copernicus](#)
- [Ulrich's Update - Periodicals Directory](#)
- Engineering village (Pending)

The JSE poate fi achiziționat pe bază de abonament anual (cele 4 numere) la următoarele prețuri: tipărit – 50 €, format electronic – 20 €, sau individual (fiecare număr), la următoarele prețuri: tipărit – 20 €, format electronic – 8 €. Pentru achiziție se completează "comanda" tipizată ([www.energy-cie.ro](http://www.energy-cie.ro)) și se transmite în format electronic sau prin fax. Pe baza comenzii se generează factura proformă ([www.energy-cie.ro](http://www.energy-cie.ro)) care se transmite solicitantului. După achitarea sumei înscrisă în factură solicitantul primește numerele JSE comandate și factura.
