

Geographical location makes Oradea is a very important focal point in regional and international tourism. Thus, the city is located 12 km from Baile Felix-SPA, the largest seaside resort in Romania standing. At the same time, the district Bihor and other tourist attractions are attractive: Stana de Vale resort, karst formations in the Apuseni Mountains (Cave Bear, Fortresses of Ponor).

University of Oradea is one of the most dynamic universities in Romania. Department of Energy scientific activity of the University of Oradea, founded in 1992, focuses on the identification and effective exploitation of energy resources, optimize energy consumption to sustain human civilization today and tomorrow.

In the CIE 2010, with exchange of experience, presentation of ideas and achievements, energy specialists can visit and the sights of Bihor county.

Knowing your concerns and achievements, we have great pleasure to invite you to participate by submitting and publishing contributions in the scientific event:

CIE 2010 will be held under the motto:
„Clean and Available Energy”

Organizers:

- University of Oradea, Faculty of Energy Engineering
- SIER – Society of Power Engineers from Romania
- Branch of Power Distribution “SA North Transilvania Electrica DISTRIBUTION”, Branch of Oradea
- “SA North Transilvania Electrica SUPPLIER” – Agency of Oradea
- AISE Oradea – Agency of Energy Maintenance and Services Oradea

Discussion within the CIE 2010 will be subject to the following topics:

1. Reliability and Systems Energy Quality Services
2. Renewable Energy Sources. Sustainable Energy Technologies
3. Evolution of Power Electric Systems Transport and Distribution. Energy Systems Performance
4. Market and Stock-market of Power. Management of Power Systems

The papers will be written in English.

The official languages of the conference are Romanian and English.

The address where the abstracts and full papers will be sent is energy_cie@yahoo.com, or it may be submitted on-line on the site of conference www.energy-cie.ro.

Receipt deadline abstracts: February 15.2010. Content summary: title, author (with details contact author), authors' addresses (including email), abstract and keywords.

Receipt deadline full papers: March 30.2010. The instructions for preparing the paper, about participation fees, organizing the conference (accommodation, meals, etc.) are shown on the website of the conference: www.energy-cie.ro.

In volume of CIE 2010, accredited by CNCISIS, are published the papers written according to instructions and accepted by specialists. We will communicate in time any comment of specialists and the papers perspective for publication.

The participating fee is 300 lei, including: the proceedings of the conference papers, access to papers of the conference, the lunch and the supper at June 04, other specific costs of organizing of conference.

Compared with previous years, the program of CIE 2010 contains an exhibition too, exposures and round tables with the following topics: Renewable Energy Sources, Modern Equipment for Power System, Advanced Measurement Instrumentation, Development of Manager and Organizational Competencies in Energy Sector. Will be there providers and users of equipment and tools.

For clarification, please contact us at the addresses: dalbut@uoradea.ro, energy_cie@yahoo.com or you may visit: www.energy-cie.ro.
